### Objective

Create a simple presentation about your family members, describing their roles, characteristics, hobbies and activities.

### My Family Members

1. Let's start with my grandma, her name is Maria, she's 75 years old, she is a housewife, also she has 4 sons and brought up 9 grandsons. She loves her 3 dogs to the point that if she travels to anywhere, she goes with her dogs.
2. I have two aunts and one uncle, her names are Lilibeth and Heidy and my uncle's name is Bardot. Lilibeth is a psychologist, she works for a construction company, and she likes spending time with my grandma. Heidy is a chief nurse, she lives in Maicao, La Guajira where my grandma comes from. She loves listening to Silvestre Dangond. Bardot is a public service drive; he works for a company that pick up administrative Aire's workers. Also, he used to work as a mechanical technician.
3. I got 6 cousins, some of them are adults and the two last ones are children. The older ones are Luis Jose and Luis Angel, and Bardo and Catalina and the younger ones are Thiago and Santino. Luis Jose is bringing up a fast-food restaurant with his father and Luis Angel works with my aunt doing the inventory of the construction. Bardo works in company as a production's operator. These two also are studying engineering. Catalina currently lives in Bogota; she is working in a medicine related call-center. Thiago and Santino are still children, they go to school and kindergarten.
4. My father's name is Arnol, he is 55 years old, he works as cab driver at the Airport of Barranquilla. He also worked as a mechanical technician. He loves watching car repairing videos.
5. My mom's name is Marcela, she is 52 years old, she lives in Ayapel, Cordoba, she works as a social worker in the Victims Attendance Unit and, she has some watermelon crops.
6. My sister's name is Laura, she is one year older than me, currently she lives in my aunt's house in Maicao because she got a work with the state as a teacher there in La Guajira. She loves traveling around the Caribbean Colombian coast.
7. My half-brother, Alejandro, he is 16 years old, he is still at school, but he works at a clothes store with his mom permit. He is from Aguachica, Cesar and he loves motorcycles.
